Endowed Chairs and Research Divisions

Endowed Chairs and Research Divisions are established to facilitate and enhance research and education at Tohoku University through contributions from businesses and other organisations. Endowed Chairs are organized at the graduate schools and Endowed Research Divisions are organized at the research institutes as listed below.

(as of May 1, 2023)

Endowed Chairs

Year	Graduate School	Chair	Duration
FY 2023	Graduate School of Environmental Studies	Course for Environmental harmony design of hard materials	Apr. 1, 2023-Mar. 31, 2026
FY 2023 (Continued)	Graduate School of Environmental Studies	Endowed Division of Environmental Resource Cycle Course (Dowa Holdings Co., Ltd.)	Apr. 1, 2023-Mar. 31, 2026
FY 2023 (Continued)	Graduate School of Environmental Studies	Innovative Analytical Pyrolysis (Frontier Laboratories Ltd.)	Apr. 1, 2023-Mar. 31, 2026
FY 2022	Graduate School of Medicine	Development of ICT Regional Alliance for Heart Failure	Jan. 1, 2023-Dec. 31, 2027
FY 2022	Graduate School of Medicine	Department of Community Medicine of Hearing Loss	Oct. 1, 2022-Sep. 30, 2024
FY 2022	Graduate School of Medicine	Department of Preemptive Cardiovascular Medicine	Apr. 1, 2022-Mar. 31, 2025
FY 2022 (Continued)	Graduate School of Pharmaceutical Sciences	Department of Social Pharmacy Management	Apr. 1, 2022-Mar. 31, 2024
FY 2022 (Continued)	Graduate School of Medicine	Ophthalmic Imaging and Information Analytics	Apr. 1, 2022-Mar. 31, 2025
FY 2021	Graduate School of Science	Endowed Research Laboratory of Dimensional Integrated Nanomaterials	Nov. 1, 2021-Oct. 31, 2024
FY 2021 (Continued)	Graduate School of Medicine	Clinical Hypertension, Endocrinology and Metabolism	Jun. 1, 2021-May 31, 2023
FY 2021 (Continued)	Graduate School of Medicine	Department of Advanced Ophthalmic Medicine	Apr. 1, 2021-Mar. 31, 2024
FY 2021 (Continued)	Graduate School of Medicine	Department of Retinal Disease Control	Apr. 1, 2021-Mar. 31, 2024
FY 2020 (Continued)	Graduate School of Medicine	General Practitioner Development	Oct. 1, 2020-Sep. 30, 2023
FY 2018	Graduate School of Agricultural Science	Laboratory of Fermentation Microbiology	Oct. 1, 2018-Mar. 31, 2024

Endowed Research Divisions

Year	Institute / Center	Research Division	Duration
FY 2023	Cyclotron and Radioisotope Center	Division of Diabetes and Nutrition	Apr. 1, 2023-Mar. 31, 2026
FY 2022 (Continued)	International Research Institute of Disaster Science	Earthquake Disaster Prevention for Urban Areas (OYO Corporation)	Nov. 1, 2022-Oct. 31, 2025
FY 2022	University Hospital	Development and Discovery of Interventional Therapy	Oct. 1, 2022-Sep. 30, 2025
FY 2022 (Continued)	Micro System Integration Center	Goertek Advanced Micro System Research Division	Aug. 1, 2022-Jul. 31, 2023
FY 2022	University Hospital	Endowed Division of Human Resource Development for Future Clinical Development	May 1, 2022-Apr. 30, 2025
FY 2022 (Continued)	Tohoku Medical Megabank Organization	Department of Traffic and Medical Informatics in Disaster	Apr. 1, 2022-Mar. 31, 2025
FY 2022 (Continued)	Center for Northeast Asian Studies	Department of The Uehiro Tohoku Historical Materials Research	Apr. 1, 2022-Mar. 31, 2027
FY 2021	University Hospital	Advanced Diagnosis and Treatment for Subarachnoid Hemorrhage	Apr. 1, 2021-Mar. 31, 2024
FY 2021 (Continued)	International Research Institute of Disaster Science	Earthquake induced Tsunami Risk Evaluation (Tokio Marine and Nichido Fire Insurance)	Apr. 1, 2021-Mar. 31, 2024
FY 2020	University Hospital	Future Medical and Healthcare Design Program	Apr. 1, 2020-Mar. 31, 2025

(FY = Fiscal Year/ Financial Year) (Continued = Renewal of the Duration)
