Joint Research Chairs and Divisions

Joint Research Chairs and Divisions comprise a system to promote joint research focusing on the utilization of research results etc. by accepting researchers and funding from companies etc., and sharing the university's faculty staff and objectives under the establishment of "Joint Research Chairs" (for Graduate Schools etc.) or "Joint Research Divisions" (for Research Institutes etc.).

Joint Research Chairs

(as of May 1, 2023)

Year	Graduate School	Chair	Duration
FY 2023	Graduate School of Agricultural Science	Laboratory of Animal Mucosal Immunology	Apr. 1, 2023-Mar. 31, 2026
FY 2023	Graduate School of Medicine	Co-creation Center of Social System for Health and Wellness	Apr. 1, 2023-Mar. 31, 2026
FY 2022	Graduate School of Medicine	Wellbeing design Institute for Health	Oct. 1, 2022-Sep. 30, 2025
FY 2022	Graduate School of Medicine	Department of Smart Epilepsy Care	Oct. 1, 2022-Mar. 31, 2025
FY 2022	Graduate School of Medicine	Department of Early Imaging Diagnosis(Joint Research)	Apr. 1, 2022-Mar. 31, 2024
FY 2022 (Continued)	Graduate School of Agricultural Science	J-Oil Mills Innovation Laboratory	Apr. 1, 2022-Mar. 31, 2024
FY 2022 (Continued)	Graduate School of Dentistry	Next-Generation Dental Material Engineering	Apr. 1, 2022-Mar. 31, 2024
FY 2022 (Continued)	Graduate School of Medicine	Antibody Drug Development	Apr. 1, 2022-Mar. 31, 2027
FY 2021	Graduate School of Engineering	Advanced Spintronics Medical Engineering	Jan. 1, 2022-Mar. 31, 2024
FY 2021	Graduate School of Medicine	Rare Disease Genomics (Cooperation Course)	Oct. 1, 2021-Mar. 31, 2024
FY 2021	Graduate School of Medicine	Women's Health Care Medical Science	Apr. 1, 2021-Mar. 31, 2024
FY 2021 (Continued)	Graduate School of Engineering	Advanced Power Engineering	Apr. 1, 2021-Mar. 31, 2024
FY 2020	Graduate School of Information Sciences	Joint Research Group for Quantum Computing	Dec. 1, 2020-Nov. 30, 2023
FY 2020	Graduate School of Engineering	Sustaibable Metallurgy for Light Metals (OGAWA ALUMINIUM INDUSTRIES CO., LTD.)	Oct. 1, 2020-Sep. 30, 2023
FY 2020(Continued)	Graduate School of Dentistry	Advanced Free Radical Science	Apr. 1, 2020-Mar. 31, 2024
FY 2019	Graduate School of Medicine	Kampo and Integrative Medicine	Apr. 1, 2019-Mar. 31, 2024
FY 2019	Graduate School of Engineering	Laboratory for Interconnect Advanced Technology (ICAT)	Apr. 1, 2019-Mar. 31, 2024
FY 2018	Graduate School of Medicine	Department of Advanced MRI Collaborative Research	Oct. 1, 2018-Sep. 30, 2023

Joint Research Divisions

Year	Institute / Center	Research Division	Duration
FY 2023 (Continued)	Graduate School of Engineering	Mitsubishi Fuso Laboratory of Practical Engineering Education	May 1, 2023-Apr. 30, 2025
FY 2023	Graduate School of Engineering	" Tastainability " for infrastructure management	Apr. 1, 2023-Mar. 31, 2028
FY 2023 (Continued)	Graduate School of Engineering	Creation of next-generation material manufacturing technology and development of law material recycling technique	Apr. 1, 2023-Mar. 31, 2025
FY 2023 (Continued)	Research Center for Electron Photon Science	Condensed Matter Nuclear Reaction	Apr. 1, 2023-Mar. 31, 2025
FY 2023 (Continued)	Institute of Multidisciplinary Research for Advanced Materials	Non-ferrous Metallurgy and Environmental Science	Apr. 1, 2023-Mar. 31, 2028
FY 2023 (Continued)	University Hospital	Hematopathology	Apr. 1, 2023-Mar. 31, 2028
FY 2022 (Continued)	Cyberscience Center	High Performance Computing(NEC)	Jul. 1, 2022-Jun. 30, 2026
FY 2022 (Continued)	University Hospital	Systematic Tumor Molecular Target Therapeutics	Jul. 1, 2022-Jun. 30, 2023
FY 2022	New Industry Creation Hatchery Center	Prototype Manufacturing technical research	Apr. 1, 2022-Mar. 31, 2024
FY 2022	International Research Institute of Disaster Science	Nippon Koei-Resilient city with digital twin technologies	Apr. 1, 2022-Mar. 31, 2025
FY 2022 (Continued)	Graduate School of Engineering	Multi-scale Material Research and Engineering Laboratory (NIPPON STEEL)	Apr. 1, 2022-Mar. 31, 2025
FY 2021	International Research Institute of Disaster Science	AEON Resilient and Environmental City Creation	Oct. 1, 2021-Sep. 30, 2024
FY 2021 (Continued)	Institute for Materials Research	Tokyo Electron Additive Manufacturing for Multimaterials	Oct. 1, 2021-Sep. 30, 2024
FY 2021 (Continued)	Institute of Fluid Science	Fundamental research of advanced vehicle technology (Hitachi Astemo)Ⅲ	Jul. 1, 2021-Jun. 30, 2024
FY 2021	Graduate School of Engineering	Informatics For Infrastructure	Apr. 1, 2021-Mar. 31, 2024
FY 2021 (Continued)	Graduate School of Engineering	Advanced Electric Power Energy System	Apr. 1, 2021-Mar. 31, 2024
FY 2020	Institute of Multidisciplinary Research for Advanced Materials	Collaborative Research Division of Advanced Electron Microscopy	Aug. 1, 2020-Mar. 31, 2024
FY 2020	Center for Fundamental Research on Nuclear Decommissioning	Cooperative research division on innovative technologies for 1F decommissioning	Apr. 1, 2020-Mar. 31, 2025
FY 2019	International Center for Synchrotron Radiation Innovation Smart	Collaborative Research Division of Advanced Synchrotron Radiation Metrology	Nov. 1, 2019-Oct. 31, 2024

(FY = Fiscal Year/ Financial Year)(Continued = Renewal of the Duration)
