Co-creation Research Center

The “Co-Creation Research Center” is a collaborative scheme to further promote and develop industry-academia co-creation by establishing a center for planning and implementing co-creation programs, such as joint research and human resource development.

As of May 1, 2023

Establishment	Name	Establishment period
2021	Aichi Steel x Tohoku University, Materials & Process for the next-generation Electric Axle Co-Creation Research Institute	Oct 01, 2021 ～ Sep 30, 2024
	Bridgestone x Tohoku Univ. Co-creation Lab	Oct 01, 2021 ～ Sep 30, 2024
	Tohoku Electric Power x Tohoku Univ. Co-creation Research Center	Nov 01, 2021 ～ Mar 31, 2025
	JFE Steel x Tohoku Univ. Collaborative Research Lab for Green Steel	Feb 01, 2022 ～ Mar 31, 2025
	Tohoku Electric Power Engineering & Construction x Tohoku Univ. Co-creation Research Center	Mar 01, 2022 ～ Feb 28, 2025
2022	Toyota Motor East Japan x Tohoku Univ. Co-creation Research Center for Environmentally-Friendly Manufacturing	Apr 01, 2022 ～ Mar 31, 2025
	DOWA x Tohoku Univ. Co-creation Research Center	Apr 01, 2022 ～ Mar 31, 2025
	Pixie Dust Technologies x Tohoku Univ. Co-creation Research Center for Holographic Well-Being	Apr 01, 2022 ～ Mar 31, 2025
	DAIDO STEEL x Tohoku Univ. Co-creation Research Center	Apr 01, 2022 ～ Jun 30, 2025
	IHI x Tohoku University Co-creation Research Center of Ammonia Value Chain for Carbon Neutrality	Sep 01, 2022 ～ Mar 31, 2028
	TDK x Tohoku University Co-creation Research Center for Renewable Energy Conversion Devices and Materials	Oct 01, 2022 ～ Sep 30, 2025
	Fujitsu and Tohoku University Discovery Intelligence Lab	Oct 01, 2022 ～ Mar 31, 2026
	SMM x Tohoku University GX Materials Science Co-Creation Research Center	Oct 01, 2022 ～ Sep 30, 2025
	ALPSALPINE x Tohoku Univ. Co-creation Research Center for Connected Value Creation	Mar 01, 2023 ～ Mar 31, 2026
2023	Dexerials x Tohoku Univ. Photonic Meta Sensing Co-creation Research Center	Apr 01, 2023 ～ Mar 31, 2026
	Furukawa Electric x Tohoku Univ. Photonics Co-creation Research Center	Apr 01, 2023 ～ Mar 31, 2026
	3DC x Tohoku Univ. Co-creation Research Center to “Change the World” with New Carbon GMS Material	Apr 01, 2023 ～ Mar 31, 2026
	Seiko Epson Corporation x Tohoku Univ. Co-creation Research Center for Sustainable Materials	Aug 01, 2023 ～ Mar 31, 2027
