Joint Research Chairs and Divisions

Joint Research Chairs and Divisions comprise a system to promote joint research focusing on the utilization of research results etc. by accepting researchers and funding from companies etc., and sharing the university's faculty staff and objectives under the establishment of "Joint Research Chairs" (for Graduate Schools etc.) or "Joint Research Divisions" (for Research Institutes etc.).

Joint Research Chairs

(as of May 1, 2025)

Year	Graduate School	Chair	Duration	
FY 2015	Graduate School of Engineering	Advanced Power Engineering Laboratory	Apr. 2015-Mar. 2027	Phase 4
FY 2017	Graduate School of Dentistry	Next-Generation Dental Material Engineering	Apr. 2017-Mar. 2026	Phase 4
	Graduate School of Medicine	Antibody Drug Development	Apr. 2017-Mar. 2027	Phase 2
	Graduate School of Dentistry	Advanced Free Radical Science	Jul. 2017-Mar. 2027	Phase 3
FY 2018	Graduate School of Medicine	Department of Advanced Radiological Imaging Collaborative Research	Oct. 2018-Sep. 2026	Phase 2
FY 2019	Graduate School of Agricultural Science	J-Oil Mills Innovation Laboratory	Apr. 2019-Mar. 2027	Phase 3
	Graduate School of Medicine	Kampo and Integrative Medicine	Apr. 2019-Mar. 2029	Phase 2
FY 2020	Graduate School of Information Sciences	Joint Research Group for Quantum Computing	Dec. 2020-Nov. 2025	
FY 2021	Graduate School of Engineering	Advanced Spintronics Medical Engineering	Jan. 2022-Mar. 2027	Phase 2
	Graduate School of Medicine	Rare Disease Genomics (Cooperation Course)	Oct. 2021-Mar. 2026	
FY 2022	Graduate School of Medicine	Department of Early Imaging Diagnosis (Joint Research)	Apr. 2022-Mar. 2026	Phase 2
	Graduate School of Medicine	Department of Smart Epilepsy Care	Oct. 2022-Mar. 2028	Phase 2
	Graduate School of Medicine	Wellbeing design Institute for Health	Oct. 2022-Sep. 2025	
FY 2023	Graduate School of Medicine	Co-creation Center of Social System for Health and Wellness	Apr. 2023-Mar. 2026	
	Graduate School of Agricultural Science	Laboratory of Animal Mucosal Immunology	Apr. 2023-Mar. 2026	
FY 2024	Graduate School of Engineering	Next-generation aluminum resource circulation (YKK AP)	Apr. 2024-Mar. 2026	
	Graduate School of Medicine	Department of PFI Antibody Medicine	Apr. 2024-Mar. 2027	
	Graduate School of Medicine	Research Division of Sciences for Dissecting Aortic Disease	Jan. 2025-Dec. 2027	

Joint Research Divisions

Year	Institute / Center	Research Division	Duration	
FY 2014	Cyberscience Center	High Performance Computing (NEC)	Jul. 2014-Mar. 2026	Phase 3
FY 2015	Graduate School of Engineering	Advanced Electric Power Energy System	Apr. 2015-Mar. 2027	Phase 4
FY 2016	University Hospital	Hematopathology	Apr. 2016-Mar. 2028	Phase 4
FY 2018	Institute of Multidisciplinary Research for Advanced Materials	Non-ferrous Metallurgy and Environmental Science	Apr. 2018-Mar. 2028	Phase 2
FY 2019	International Center for Synchrotron Radiation Innovation Smart	Collaborative Research Division of Advanced Synchrotron Radiation Metrology	Nov. 2019-Mar. 2030	Phase 2
FY 2020	Center for Fundamental Research on Nuclear Safety and Decommissioning	Division of Innovative Study for Fukushima Daiichi Decommissioning	Apr. 2020-Mar. 2030	Phase 2
FY 2021	Graduate School of Engineering	Informatics For Infrastructure	Apr. 2021-Mar. 2026	Phase 2
	International Research Institute of Disaster Science	AEON Resilient and Environmental City Creation	Oct. 2021-Sep. 2027	Phase 2
FY 2022	International Research Institute of Disaster Science	Nippon Koei-Resilient city with digital twin technologies	Apr. 2022-Mar. 2026	
	New Industry Creation Hatchery Center	Prototype Manufacturing technical research	Apr. 2022-Mar. 2026	Phase 2
FY 2023	Graduate School of Engineering	JSW Joint Research Division for the Innovation of Next-Generation Material Processing and Development of Resource Recycling Technology (JSW)"	Apr. 2023-Mar. 2027	Phase 2
	Graduate School of Engineering	" Tastainability " for infrastructure management	Apr. 2023-Mar. 2028	
FY 2024	Graduate School of Engineering	TIS Laboratory of Education for System Integration	Apr. 2024-Mar. 2026	
	Green Future Creation Organization	High-Temperature Energy Conversion Device Joint Research Division	Oct. 2024-Sep. 2027	
FY 2025	Smart-Aging Research Center	Joint Research Division of Play and Developmental Science (Kai's Wonder Lab)	Apr. 2025-Mar. 2030	

(FY = Fiscal Year/ Financial Year)
