(as of August 16, 2010)

University Governance and Academic Units

(as of August 16, 2010)

National University Corporation Tohoku University

(As of April 1, 2010)

	ohoku University	
noku University	Administration Bureau	
	University Library	Medical Library
	University Hospital	Kita-Aobayama Library
- Faculties	Arts and Letters	Engineering Library
Faculties	Education	Agricultural Library
	Law	
	Economics	
	Science	
	Medicine	
	Dentistry	School of Dental Laboratory Technicians
	Pharmacy and Pharmaceutical Sciences	
	Engineering	
	Agriculture	
Graduate	Arts and Letters	
Schools	Education	Research Center for Advanced Studies of Law and Poli
	Law	Research and Analytical Center for Giant Molecule
	 Economics and Management 	Center for Atmospheric and Oceanic Studies
	Science	Research Center for Prediction of Earthquakes a
	Medicine	Volcanic Eruptions
	Dentistry	Planetary Plasma and Atmospheric Research Cen
	Pharmaceutical Sciences	Institute for Animal Experimentation
	Engineering	Center for Translational and Advanced Animal Resear
	Agricultural Science	on Human Diseases
	International Cultural Studies	Experimental Station for Medicinal Plant Studi
	Information Sciences	Disaster Control Research Center
	Life Sciences	Fracture and Reliability Research Institute
	Environmental Studies	Research Center of Supercritical Fluid Technolo
	Biomedical Engineering	Micro / Nano-Machining Research and Education Cen
	Educational Informatics Education Division	Field Science Center
	Educational Informatics	Innovative Research Center for Agricultural Science
	Research Division	Research Center for Language, Brain and Cogniti
	Internet School of	Research Center for Marine Biology
	Tohoku University (ISTU)	
Professional	Law School	International Research Center for Nuclear Materials Scien
Graduate Schools	School of Public Policy	Advanced Research Center for Metallic Glass
	Accounting School	High Field Laboratory for Superconducting Materia
Research	Institute for Materials Research	Osaka Center for Industrial Materials Researc
Institutes	(Joint Usage / Research Center)	Cell Resource Center for Biomedical Researce
institutes	Institute of Development, Aging and Cancer	Center for Advanced Genome Research
	(Joint Usage / Research Center)	Smart Ageing International Research Center
	Institute of Fluid Science	Transdisciplinary Fluid Integration Research Center
	(Joint Usage / Research Center)	Laboratory for Nanoelectronics and Spintronic
	-	
	Research Institute of Electrical Communication – (Joint Usage / Research Center)	Laboratory for Brainware Systems Research Center for 21st-Century Information Technolog
	Institute of Multidisciplinary Research	Research Center for Sustainable Materials & Engineerin
	for Advanced Materials	Center for Advanced Microscopy and Spectroscop
	(Joint Usage / Research Center)	Polymer Hybrid Materials Research Center
Inter-Department	Center for Northeast Asian Studies	Center for Advanced Nitride Technology
Institutes for	Research Center for Electron Photon Science	
Education and	Research Center for Neutorino Science	
Research	Center for the Advancement of Higher Education	Health Administration Center
Research	(Joint Educational Development Center)	University Counseling Center
	The Center for Academic Resources and Archives	
		Center for Career Support
	International Advanced Research and Education Organization	Center for Professional Development
	5	The Tohoku University Museum
	Center for Information Technology in Education	Tohoku University Archives
	Cyclotron and Radioisotope Center	Botanical Gardens
	New Industry Creation Hatchery Center (NICHe)	Institute for International Advanced Research and Educati
	Center for Interdisciplinary Research	Institute for International Advanced Research and Education
	Technology Center for Research and Education Activities	Center for Low Temperature Science
		High-Voltage Electron Microscope Laboratory
	Cyberscience Center (Joint Usage / Research Center)	Technical Support Center
